- 1. Type of Event** - There was a general discussion around the type of event to be organised. It was felt the community would be best engaged in a fairly informal gathering which could include all generations.
- 2. Venue Options** - It was felt the Memorial Hall was the best venue to hold the event being seen as a focal point of the area.
- 3. Organisation** - The group will encourage as many members to help with the organisation/planning/volunteering at the event.
- 4. Promoting the Event** - flyers would be produce and distributed throughout the area along with social media promotion.
- 5. Funding** - The Trust has some funds to offset costs but an application would be made to Community Pride Fund. Margaret, Joe and Louise to take this forward.
The deadline is fast approaching so this will be done very soon.
- 6. Next Meeting** - Thursday 3 May 2018, to update the Trustees as to progress.
